

HEALTH DAY 17.2.2006

We arranged a Health Day in Lauri school at 17.2.2006. There were sixteen different workshops which the classes went through during the day. Here are pictures from some of the workshops.

In the morning we had a free breakfast for everybody (fruits, porridge, youghurt, milk, bread)

A workshop about alcohol (how much there are sugar and fat in different kind of drinks)

A workshop about the dangers of tobacco

A workshop run by the fireman. How to put out the flames.

A workshop about the eating, doing home works, hobbies and sleeping during one day.

A workshop about stretching

A first aid workshop

The police talk about the dangers of the drugs

A workshop about sex
